Radici Resort is the heart of an estate of sixty hectares, in the center of the production area of the **Taurasi DOCG**, the great wine of Southern Italy. It is an accommodation facility with a classic and refined architecture, which combines a classy stay with the absolute silence of **Irpinia**. From the oldest vineyards of Aglianico come the grapes of one of the most authentic expressions of native Campania viticulture, the prestigious **Radici Taurasi DOCG**. The Resort is located on a hill about four hundred meters above sea level, in a valley surrounded by vineyards of **Aglianico**, **Greco**, **Fiano** and **Falanghina**, and is completely immersed in the vineyards, where relaxation is, at the same time, a starting point and destination for an ideal trip. A journey to tell, which takes you back to the origins of a story with unrepeatable flavours. www.radiciresort.com
